From H J BHABHA Esq,
Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
General and Revenue Departments

SIR

I have the honour to forward herewith a travelling allowance bill of S Krishna Rao a Mysore student in the Madras Agricultural College, to whom a scholarship of ~~Rs~~ 25 has been granted in Government Order No S No 17 / 978—9 / Edn F 14—96 dated the 17th July 1897 and to request that the payment of the bill may be sanctioned

There is a Notification by PG backed up in Govt Notn No 13507 d 15th Dec 96 and 42 Pub Dept 96

2 Clause 2 of Notification D No 53 dated the 10th May 1897 relating to the award of Agricultural scholarships entitles the recipient of an agricultural scholarship

to travelling allowances for two journeys to College and two journeys to home during his course in the College This Notification of May 97 is merely a republication of the notification published in former years and authorizes the payment of travelling allowances to the Students in question The Comptroller however thinks that under Article 575 of the Service Regulations the sanction of Government to the payment of the allowance is necessary I therefore request that Government may be pleased to authorize the Comptroller to pass such bills in future without a reference to Government in each particular case

I may add that the same concession is shown by the Government of Madras to students of that Presidency
